Friedrich® Endeavor® Line F-Series™

The Friedrich Endeavor Line F-Series FR921T Gas Furnace provides excellent value and reliable comfort. It's designed for lasting energy-efficient comfort that saves you money while delivering peace of mind.

Friedrich.com/Residential

We Thought of Everything... & Then Some

We evaluate every detail of a product from top to bottom, inside and out and every angle in between. That's 360+1. And that's why you can count on this gas furnace to bring you and your family years of efficient and dependable comfort.

Innovation You Can Count On

Patented industry-first features and 360+1 design make the Friedrich Endeavor FR921T a smart choice.

Peace-Of-Mind Performance

Relax, you're covered by one of the best warranties in the industry¹—10 Year Conditional Parts + Limited Lifetime Heat Exchanger.

Energy Efficiency Savings

Higher AFUE (Annual Fuel Utilization Efficiency) ratings mean more energy savings and this 92% AFUE, U.S. South ENERGY STAR[®] certified gas furnace will be up to 11 percent more efficient than standard models and can save an average of \$30 in energy costs each year² and potentially even more with available rebates. Visit Friedrich.com/Rebate to check your state's rebate policies.

Efficient Comfort

Constant torque ECM motor technology delivers the heated airflow to meet your requested warmth requirement.

TESTED. TRUSTED. TOUGH.

From the smallest part to complete comfort systems, we craft quality into everything we make to be sure it's tough enough to deliver the ultimate performance you count on day after day, year after year. That reliability is what makes Friedrich different—and better.

Among Furnaces, This One's A Star³

Earning ENERGY STAR[®] recognition means products meet strict energy efficiency guidelines set by the U.S. Environmental Protection Agency. ENERGY STAR certified heating and cooling equipment can enhance the comfort of your home while saving energy—which saves money on utility bills and protects our climate by reducing harmful carbon pollution and other greenhouse gases.

Rheem Sales Company, Inc. manufactures the Friedrich brand of residential heating & cooling products. In keeping with its policy of continuous progress and product improvement, Rheem reserves the right to make changes without notice.

¹Registration is required for the conditional parts warranty. For complete details of the limited and conditional warranties, including applicable terms and conditions, contact your local Contractor or go to Friedrich.com for a copy of the product warranty certificate. ²Per EnergyStar.gov, when compared to a standard 80% AFUE gas furnace. ³Proper sizing and installation of equipment is critical to achieve optimal performance. Ask your contractor for details or visit EnergyStar.gov. ⁴Based on manufacturer's furnace offering, and the product's heating stages, motor type and cabinet insulation. Sound levels are also dependent on furnace location and installation.

FEATURES AT A GLANCE

Input Rate: 40–115 kBtu

Configuration: 4-Way Multi-Position

Heating Stages: Single-Stage

Motor Type: Constant Torque
