Focused on

ENDEAVOR®

Innovation You Can Count On

Patented industry-first features and 360+1 design make the Friedrich Endeavor FR951V a smart choice.

Peace-Of-Mind Performance

Relax, you're covered by one of the best warranties in the industry¹—10 Year Conditional Parts + Limited Lifetime Heat Exchanger.

Quieter Operation

Cozy and quiet vibes are guaranteed with our insulated cabinet and truly variable speed airflow technology—giving you one of the quieter furnaces available².

Energy Savings

Higher AFUE (Annual Fuel Utilization Efficiency) ratings mean more energy savings and this 95% AFUE, ENERGY STAR® certified gas furnace is close to perfect when it comes to efficiently converting gas to heat—offering up to \$85 in annual energy costs savings³ and potentially even more with available rebates. Visit Friedrich.com/Rebates to check your state's rebate policies.

High Comfort

Variable speed motor technology ensures a steady stream of just-right heated airflow to maintain your comfort level preference while providing superior humidity control.

We Thought
of Everything...
& Then Some

We evaluate every detail of a product from top to bottom, inside and out and every angle in between. That's 360+1. And that's why you can count on this gas furnace to bring you and your family years of efficient and dependable comfort.

TESTED.
TRUSTED.
TOUGH.

From the smallest part to complete comfort systems, we craft quality into everything we make to be sure it's tough enough to deliver the ultimate performance you count on day after day, year after year. That reliability is what makes Friedrich different—and better.

Performance and Efficiency

Helping You Live Both **Comfortably** and **Sustainably**

Many Friedrich products have sustainability features, but the FR951V has earned our Sustainability Standout® seal, indicating it's among the best of the best. We created the seal to help you more easily find the products that save energy, save money and save the planet.

Among Furnaces, **This One's A Star⁴**

Earning ENERGY STAR® recognition means products meet strict energy efficiency guidelines set by the U.S. Environmental Protection Agency. ENERGY STAR certified heating and cooling equipment can enhance the comfort of your home while saving energy—which saves money on utility bills and protects our climate by reducing harmful carbon pollution and other greenhouse gases.

The Friedrich Endeavor FR951V operates with the easy-to-use EcoNet Smart Thermostat, which optimizes system performance and provides a new level of protection and precision comfort with features like:

EcoNet Mobile App

EcoNet Smart Thermostat

Communication with latest sensor technology

Control of your thermostat from anywhere via the EcoNet App⁵

Alerts sent directly to your phone or email

ENDEAVOR[®]

Simplified Install & Service with Bluetooth Technology

Built-in Bluetooth[®] connectivity makes it faster and easier for your contractor to install and service your new system. This can help lower your costs and help make your home comfortable again—fast.

FEATURES AT A GLANCE

Brampton, Ontario L6Y 0P5

Rheem Sales Company, Inc. manufactures the Friedrich brand of residential heating & cooling products. In keeping with its policy of continuous progress and product improvement, Rheem reserves the right to make changes without notice.

¹Registration is required for the conditional parts and unit replacement warranty (if applicable). For complete details of the limited and conditional warranties, including applicable terms and conditions, contact your local Contractor or go to Friedrich.com for a copy of the product warranty certificate. ²Based on manufacturer's furnace offering, and the product's heating stages, motor type and cabinet insulation. Sound levels are also dependent on furnace location and installation. ³Per EnergyStar.gov, when compared to a standard 80% AFUE gas furnace. ⁴Proper sizing and installation of equipment is critical to achieve optimal performance. Ask your contractor for details or visit EnergyStar.gov. ⁵Wi-Fi broadband internet connection required. Download the EcoNet[®] App from the App Store[®] or Google Play[®] to set up your EcoNet Smart Thermostat. Receipt of notifications depend on home Wi-Fi setup.
