# ENDEAVOR<sup>®</sup>

## Innovation You Can Count On

Patented industry-first features and advanced design make the Friedrich Endeavor FWP15AZ a smart choice.

### Peace-Of-Mind Performance

Relax, you're covered by a dependable warranty<sup>1</sup>—5 Year Parts.

### Reduced Emissions

Households generate 72%<sup>2</sup> of greenhouse gas emissions, so switching to a heat pump can make a big difference for the environment—today.

### Less Environmental Impact

The 7mm condenser coil<sup>3</sup> reduces refrigerant requirements up to 15%. This lowers the amount of greenhouse gases emitted while contributing to our sustainability goal of a 50% reduction in our greenhouse gas footprint by 2025. A win for all of us.

### Durable Curb Appeal

Modern cabinet aesthetics including the powder coat paint system allow your unit to put its best face forward for years to come. This model also features a one-piece drawn and painted base pan. The pan elevates the coil off the pad helping minimize corrosion while also reducing sound.

### Quiet Operation

Efficient home comfort shouldn't be noisy. That's why our heat pumps are designed with acoustics in mind. Integrated sound-dampening features such as refrigerant tubing design, fan blade approach, a one-piece drawn base pan and innovative compressor and drive technologies let you enjoy more efficiency—and less noise.

### Among Air Conditioners, This One's A Star<sup>5</sup>

Earning ENERGY STAR<sup>®</sup> recognition means products meet strict energy efficiency guidelines set by the U.S. Environmental Protection Agency. ENERGY STAR certified heating and cooling equipment can enhance the comfort of your home while saving energy—which saves money on utility bills and protects our climate by reducing harmful carbon pollution and other greenhouse gases.

#### SOUND RATING<sup>4</sup>

## FEATURES AT A GLANCE

Cooling & Heating Efficiencies Up To:  
16 SEER2 / 11.7 EER2 / 8.1 HSPF2

Nominal Sizes: 1.5 to 5 Tons

Cooling & Heating Capacities:  
13.36 to 45.6 kBTU

Sound Rating<sup>4</sup>: As low as 72 dB

Compressor Type: Two-Stage

Condenser Coil Type: 7mm<sup>3</sup>

Feature Highlights:

Expanded Valve Space –  
Provides a minimum working area  
of 27-square in.

Easy Service Access –  
15 in. wide industry leading corner service  
access, two-fastener removable corner and  
easily removable individual louver panels

Limited Warranty<sup>1</sup>:

Parts – 5 Years

## TESTED. TRUSTED. TOUGH.

From the smallest part to complete comfort systems, we craft quality into everything we make to be sure it's tough enough to deliver the ultimate performance you count on day after day, year after year. That reliability is what makes Friedrich different—and better.
