

total comfort. all business.

RESOLUTE[™] COMMERCIAL HVAC LINE

Premium features come standard for maximum value.

15 to 30 Ton Packaged Air Conditioners
15 to 30 Ton Packaged Gas Electric Units
15 & 20 Ton Packaged Heat Pumps

 **FRIEDRICH** | Commercial Air

RESOLUTE™

COMMERCIAL HVAC LINE

Resolute™
30-ton models
are the smallest and
lightest available in
the industry.

Premium Features, Maximum Value

Designed with the future in mind, Resolute units include the right mix of premium options to enhance comfort, installability, serviceability and reliability. Advanced technologies like MicroChannel coils and HumidiDry® deliver up to 14.2 IEER / 11.0 EER / 3.3 COP for powerful performance year-round, and thoughtful serviceability features like hinged access panels and factory-programmed VFDs make installation and service easier.

Advanced Zoning

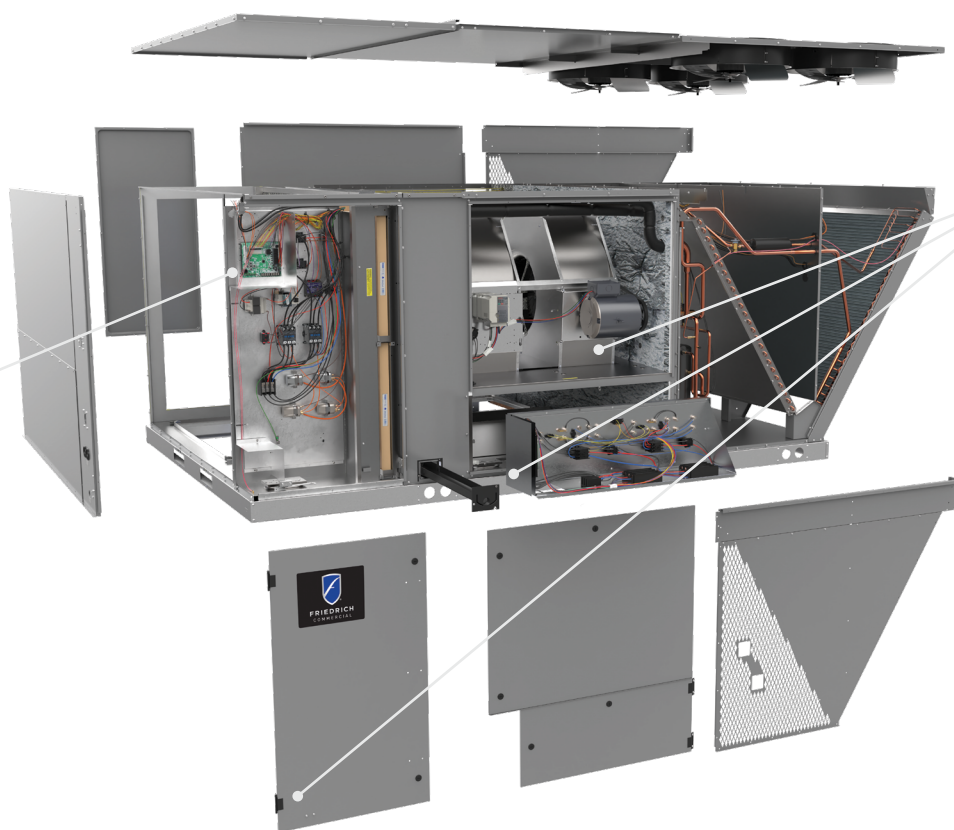

Maximize comfort throughout your building with the zoning capabilities of Resolute. The 30-ton Resolute packaged unit comes with standard single-zone and multi-zone VAV to personalize comfort by zone and features five stages of cooling to maximize part-load efficiencies.

PlusOne®
ClearControl™

Rest assured with real-time system access, monitoring and flexible controls for easy communication via BACnet, LonWorks or Modbus. **Enjoy the freedom to choose without compromising on functionality.**

Model Number	Capacities	Efficiency Up To	Power Options	Stages of Cooling / Heating	Field-convertible Airflow (Downflow & Horizontal)	Coil Type
PACKAGED HEAT PUMP

your provider for essential solutions.

We're in the business of delivering precise, efficient and reliable comfort. Our broad commercial portfolio is packed with innovations flexible enough to meet a variety of applications and supported by local experts who can help make your commercial project a success—from spec to install and beyond. Feel confident with Friedrich.

Through our partnership with Fernwood Capital & Leasing, Friedrich Commercial KwikComfort® Financing Program makes it easy to get the business equipment you need, when you need it. This includes heating and cooling systems, IT systems, machinery, titled equipment, furniture—or nearly any equipment that helps your business grow.

With our Protection Plus® extended service agreement program, protect your investment from unexpected, unbudgeted repairs after the limited warranty expires. Protection Plus limited warranty can also be extended.

sustainability

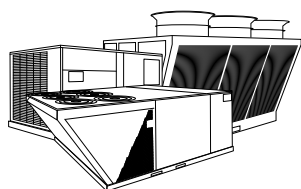

We are focused on innovating with intent, engineering solutions with lifetime sustainability in mind. Our products are designed to give businesses greater control over their energy consumption, lowering their environmental impact.

Look for the Sustainability Standout® seal to quickly identify products that are a cut above the others in energy efficiency, longevity, CO₂ reduction and more.
