

ENDEAVOR®

Step up to high-performance heating

Keep consistently comfortable, even on cold winter nights, with the Friedrich® Endeavor® Line of Furnaces. Offering some of the highest energy efficiencies available, Friedrich Endeavor 90% AFUE (Annual Fuel Utilization Efficiency) Gas Furnaces deliver peace-of-mind performance and reliable savings.

Friedrich.com/Residential

Extreme Efficiency Meets **Constant Comfort**

Peace-of-Mind **Performance**

Relax, you're covered by one of the best warranties in the industry¹—up to 10 Year Limited Parts + Limited Lifetime Heat Exchanger + Conditional Limited Lifetime Unit Replacement².

Quiet **Operation**

Sound levels range from quietest to quiet with insulated cabinets and truly variable speed airflow technology³—giving you one of the quietest furnace lines available⁴.

High **Comfort**

Modulating⁵ (between 40% and 100% of capacity), two-stage⁶ (medium, low) or single-stage (low) heating operation⁷, along with variable speed motor technology³, ensures a steady stream of just-right heated airflow to maintain your comfort level preference while providing superior humidity control.

Among Furnaces, **These Are Stars**

Earning ENERGY STAR[®] recognition means products meet strict energy efficiency guidelines set by the U.S. Environmental Protection Agency and all of the Friedrich Endeavor 90% AFUE Gas Furnaces are ENERGY STAR[®] or U.S. South ENERGY STAR[®] certified, offering annual energy cost savings⁹.

Simplified Install & Service with Bluetooth Technology

Built-in Bluetooth[®] connectivity¹⁰ makes it faster and easier for your contractor to install and service your new system. This can help lower your costs and help make your home comfortable again—fast.

Helping You Live Both **Comfortably** and **Sustainably**

Many Friedrich products have sustainability features, but the FR98MV, FR97MV, FR962V, FR951V, FR951V****U and FR921V models have earned our Sustainability Standout[®] seal, indicating that they are among the best of the best. We created the seal to help you more easily find the products that save energy, save money and save the planet.

EcoNet[®]

The Friedrich Endeavor Line FR98MV, FR97MV, FR962V, FR951V, FR951****U and FR921V operate with the easy-to-use EcoNet Smart Thermostat, which optimizes system performance and provides a new level of protection and precision comfort **with features like:**

- Communication with latest sensor technology
- Control of your thermostat from anywhere via the EcoNet App[®]
- Alerts sent directly to your phone or email

**TESTED.
TRUSTED.
TOUGH.**

From the smallest part to complete comfort systems, we craft quality into everything we make so we can be sure it's tough enough to deliver the ultimate performance you can count on day after day, year after year. That reliability is what makes Friedrich different—and better.

**We Thought
of Everything...
& Then Some**

We evaluate every detail of a product from top to bottom, inside and out and every angle in between. That's 360+1. And that's why you can count on Friedrich Endeavor 90% AFUE Gas Furnaces to bring you and your family years of efficient and dependable indoor comfort.

FRIEDRICH

Friedrich.com

Delivering Boldly Crafted Comfort

Founded in 1883, Friedrich Air Conditioning Co. is an expert in providing residential and commercial comfort solutions—from premium room air conditioners to whole-home / whole-building equipment and more. Designed to be among the most advanced and quietest available, all Friedrich products are engineered to deliver precise temperature control to make spaces comfortable—quickly and efficiently.
