Patented industry-first features and 360+1 design make the Friedrich Endeavor RAC(A/X)YC a smart choice.

Peace-Of-Mind Performance

Relax, you're covered by one of the best warranties in the industry!—
10 Year Conditional Parts in residential applications.

Maximum Comfort

Two-stage operation (67% and 100%) works to meet your ever-changing cooling needs.

Durable Curb Appeal

The steel cabinet with a louvered coil guard provides excellent internal protection, while the overall modern cabinet aesthetics, including the powder coat paint system, allow your unit to put its best face forward for years to come. The sloped drain pan ensures all water is removed from the unit, eliminating any bacterial growth and enhancing indoor air quality.

We evaluate every detail of a product from top to bottom, inside and out and every angle in between. That's 360+1. And that's why you can count on this residential packaged air conditioner to bring you and your family years of efficient and dependable comfort.

TESTED.
TRUSTED.
TOUGH.
